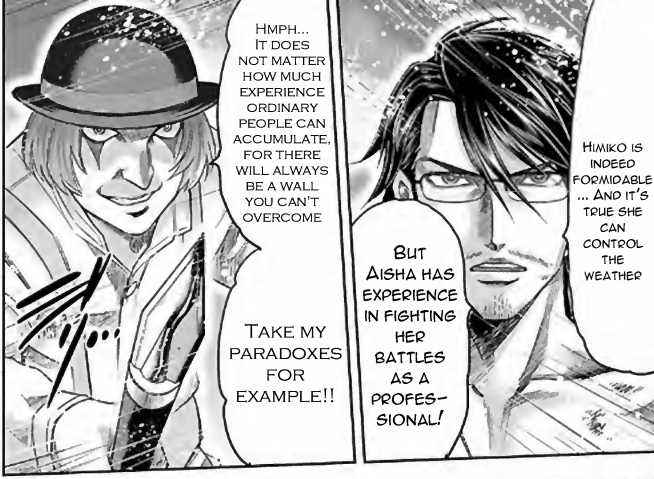
#9 永遠の誓い／L'amour parfait

ゴク
C... Coilgun?
What's that, Zoyo ...??

ゴオオオン…
ゴオオ
ゴオオ
A DETONATION… KUKU, SOUNDS LIKE THE GAME BETWEEN THE LADIES WILL SOON REACH ITS FINALE
…AISHA WILL WIN
オオ
オオ



Himiko is indeed formidable... And it's true she can control the weather
But Aisha has experience in fighting her battles as a profes-sional!
Take my paradoxes for example!!
Hmph... It does not matter how much experience ordinary people can accumulate, for there will always be a wall you can't overcome

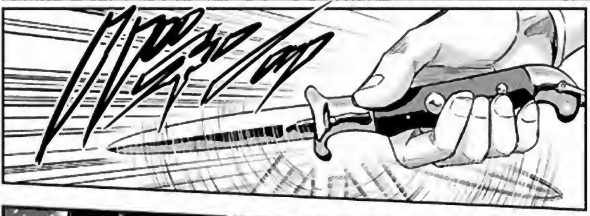
Try to dodge this again, now die!!
Here it comes!! Once more...

Space-time paradox!!
I can't see it... But I can feel it !!
His presence should be around ...

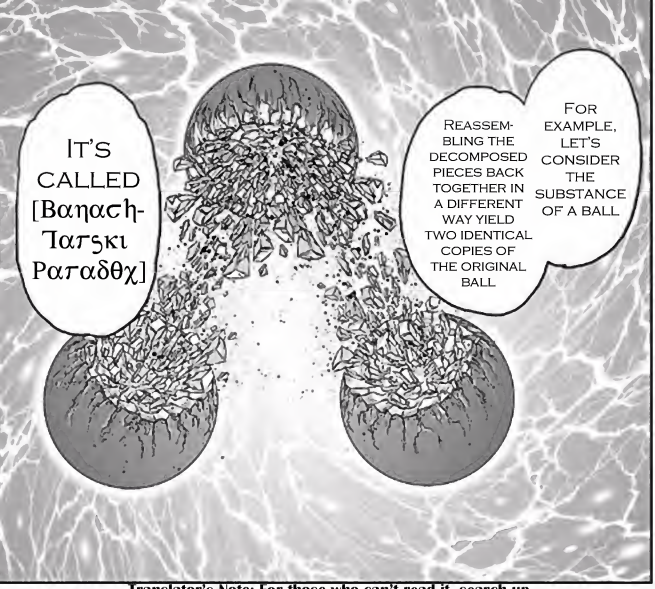
HUH
!?
Bastard
...
But how
!?
I can
detect it,
Zeno...

Right now, I can sense the existence of Aisha's feelings
It's as if our hearts are connected even if we are physically separated ...
The same goes for you, Zeno... You look like you can disappear by manipulating time and space
But with your presence around... I can always read your killer intent!
IMPOSSIBLE !!
Are you telling me you powered up all because you fell in love with that woman !?

That's right! With her alive, she guides my sword to a path of higher ascension
Attaining the true [Void] isn't through discarding everything until it becomes [Nil]
It is through embracing everything into my heart... And that was just the first start!!

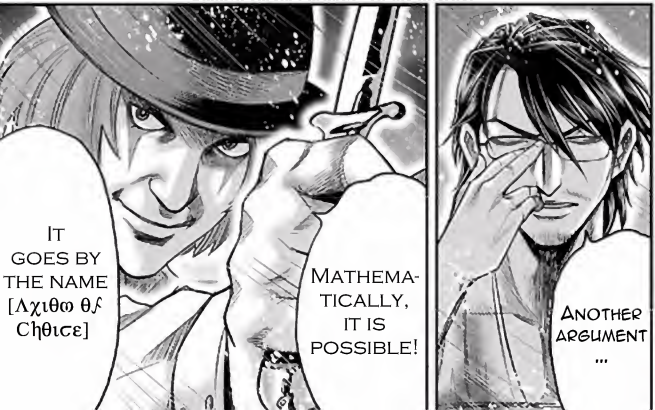


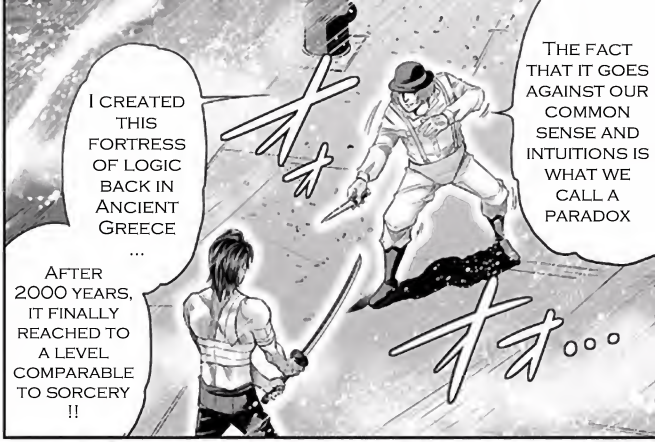
Such an unexplainable theory... However, the fact that you foresaw my attack is the truth!
In that case... Have a taste of the ultimate paradox !!
Ultimate... Paradox?



For example, let's consider the substance of a ball
Reassembling the decomposed pieces back together in a different way yield two identical copies of the original ball
It's called [Βαηαcհ-Ταrsкι Ραταδθχ]

Translator's Note: For those who can't read it, search up "Banach-Tarski Paradox" on the internet





I CREATED THIS FORTRESS OF LOGIC BACK IN ANCIENT GREECE ...
AFTER 2000 YEARS, IT FINALLY REACHED TO A LEVEL COMPARABLE TO SORCERY !!
THE FACT THAT IT GOES AGAINST OUR COMMON SENSE AND INTUITIONS IS WHAT WE CALL A PARADOX
オォ
オォ...

WITH THAT PARADOX BEING SAID... I WONDER WHAT HAPPENS WHEN IT'S TRANSCRIBED INTO REALITY?
ONE BECOMES TWO...
TWO BECOMES FOUR...
ザッ
ザッ
ザッ
WHA... WHAT'S THIS!?

[HΨPΣЯ MUL⊥IPLI-CA⊥IΩN]
YOU'RE OUTNUM-BERED RIGHT NOW!!

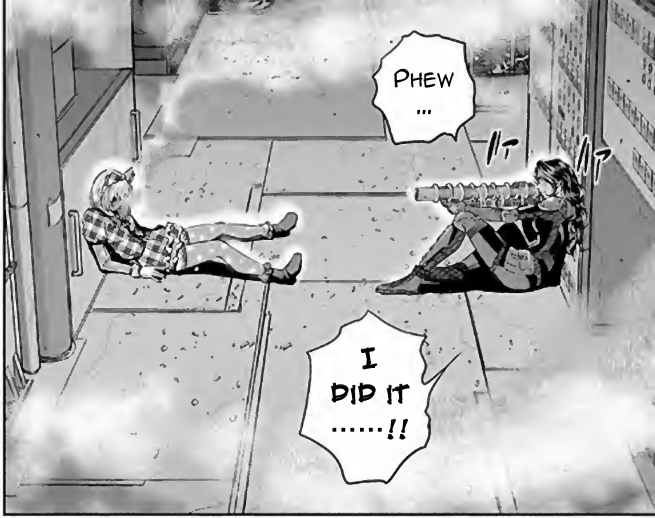
There's four Zenos ... No, eight!?
An illusion? Not quite... His presence is increasing !!
GUH !!

IT DOESN'T MATTER HOW MANY BODIES KEEP COMING ...
DAMMIT... I ALREADY GOT USED TO YOUR SPACE-TIME ATTACKS ...
NRGH ...
I WILL CUT THEM ALL DOWN !!!

THERE… THAT SHOULD BE ALL OF THEM!
15 …
16!

I CAN STILL SENSE … ONE MORE !?
… NO WAIT …

ハッ!!
...
AISHA
!!

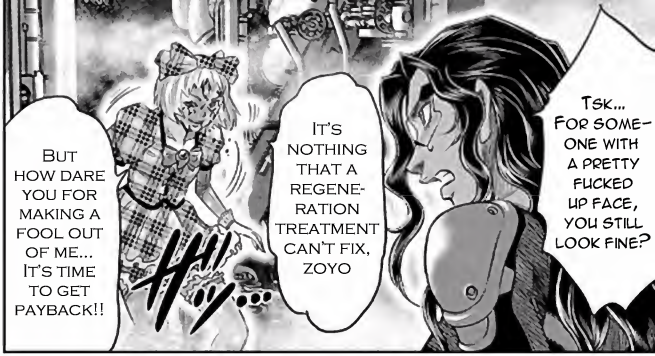


GOOD THING THE IRON NUTS AND BOLTS WORK AS AMMO
I DOUBT EVEN CARBONOIDS WILL HAVE ANY BRAINS LEFT AFTER TAKING AN ATTACK LIKE THIS...

TS's com: Jump scare in 3...2...1...

I CAN'T BELIEVE MY IMPROVISED COILGUN ACTUALLY WORKED ...
BUT STILL, I WAS ABLE TO GET CLOSE ENOUGH FOR A POINT-BLANK RANGE AND THE EXTREME LOW TEMPERATURE MADE IT EVEN MORE EFFECTIVE!

TS'com: Too OP, pls nerf!



Tsk... For some-one with a pretty fucked up face, you still look fine?
It's nothing that a regene-ration treatment can't fix, Zoyo
But how dare you for making a fool out of me... It's time to get payback!!

Come forth, Evil King...
Answer my ritual prayer ...!!
!!?
That sounds like... Rain? What's going to happen next after the blizzard!?

ゴゴゴゴ
ガアアアア

A mega-colossal raincloud [OROCHI] ...
It can absorb enormous amount of water vapour at an elevation of up to 12,000 metres !!!
And with all that water... I can con-centrate it into a singular point ...!!

WHAT THE HELL ... A WATER JET!!?
!!!?

THE FERRY SPLIT IN HALF ...!!
KYAHAHA!! IT'S A SUPER HIGH PRESSURED STREAM OF WATER, ZOYO!
OROCHI'S FANGS CAN EVEN CRUSH THROUGH METAL... NEXT TIME, I WON'T MISS!!
OH HEY... LOOKS LIKE YOU CAN'T BRAG ABOUT ESCAPING UNSCATHED !!

AH ...!!?
GUAAAAAAAGGGGHHHHHHHH!!!
KYA-HAHA! THAT SOUNDS GREAT !!
TAKE THIS, ONE MORE TIME!!

KUH
!!

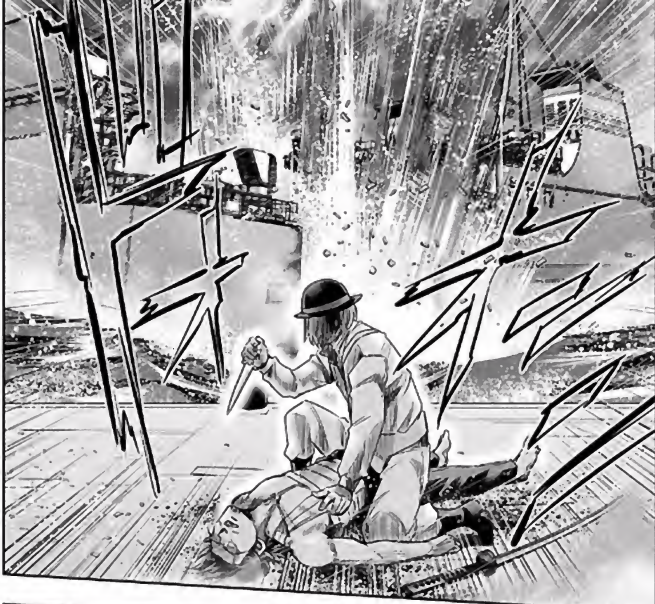
I WON'T MISS THE NEXT SHOT, ZOYO!!
YOU CAN'T MOVE YOUR BODY WELL IN MIDAIR, CAN'T YOU !?
I'VE BEEN WAITING FOR THIS MOMENT, ZOYO!!
GYAHAHA!! I THOUGHT YOU MIGHT JUMP TO ESCAPE

Forgive me, Sasamura-san ...
As I thought... I won't be able to keep our promise ...
...
BUT!!

I WON'T GIVE UP UNTIL THE VERY END !!!

HEY ... WHAT ARE YOU DOING ?
AGH !?

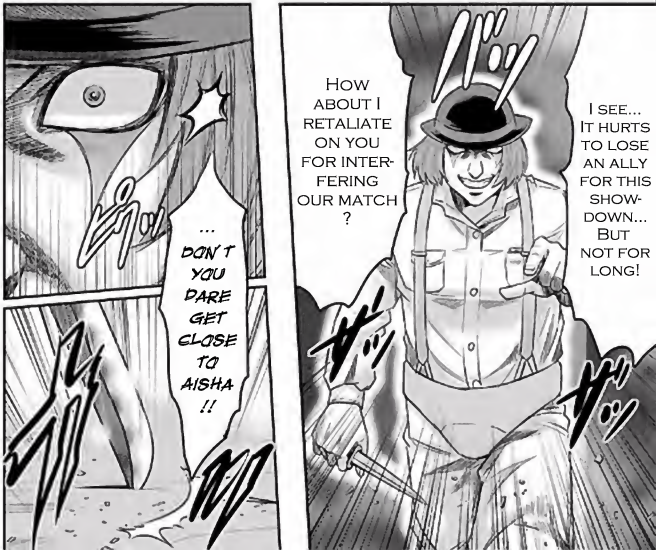
TS's: That is some "epic" last words you got there, BITCH!



Kuku... That's Himiko showing off with her Orochi
I'm finally done with you as well
Sword-master of the [Void] Sasamura Kouichi
I'll say this once, although your way of the sword is impressive in a time-space paradox ...

SASA-MURA-SAN !!!
YOUR DEATH WILL BE PROOF THAT MY LOGIC IS ABSOLUTE !!
GET UP ... KOUICHI !!!
DIDN'T WE MAKE A PROMISE THAT THE TWO OF US WILL HEAD TO THE NORTH TOGETHER !?

WIRE GIRL!? So you're still alive ...
Then that means Himiko is ...
Hmph... She doesn't have what it takes after she faced defeat
At any rate, there isn't a trace of her left!!



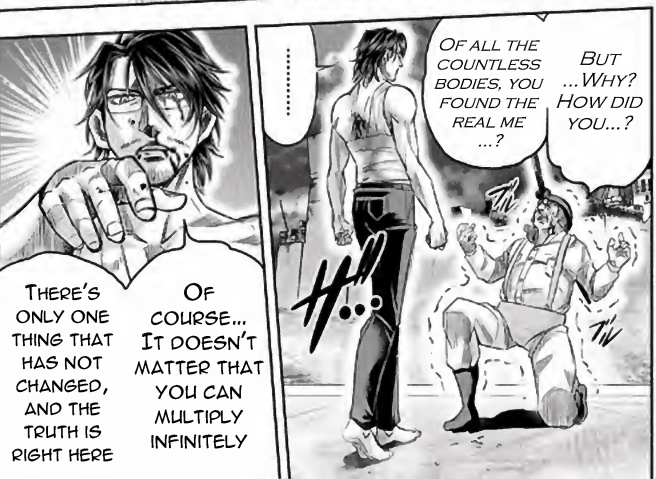
I see... It hurts to lose an ally for this showdown... But not for long!
How about I retaliate on you for interfering our match ?
... don't you dare get close to Aisha !!

...Are you a zombie?
This is the immortal power of love that you spoke of?
No... not yet ...
Let's finish this once and for all... Zeno... !!
There was16 of me earlier, so how about we increase the number further?
And then this place will become your grave along with that woman !!
Then I will kill you as many times as it takes !!

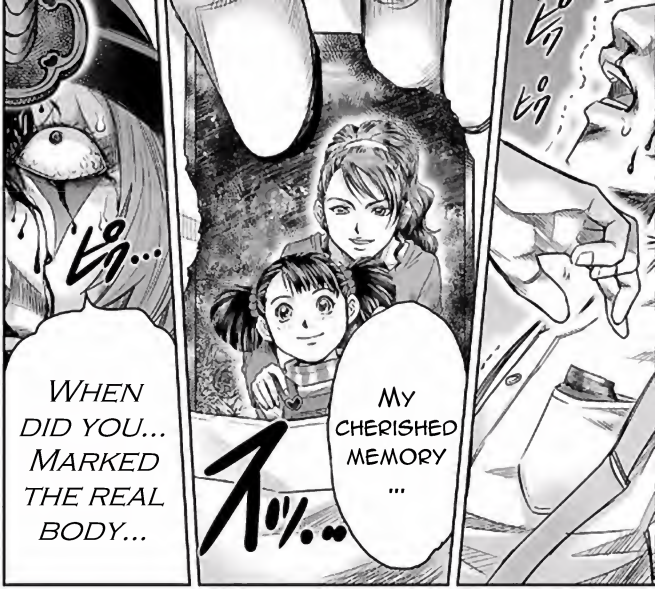
[BANACH-TARSKI: MULTIPLE INFINITY]
!!
I SHALL CARVE YOU DOWN TO PIECES WITH MY INFINITE SELVES
!!
KNOW THIS, ZENO... LOVE IS THE ONLY THING THAT IS INFINITE
THOUGH FAREWELLS COME WITH ENCOUNTERS, DEATH BECOMES REBIRTH...

LOGIC IS THE ABSO-LUTE VALUE !!!
IT'S THE CIRCLE OF ONE-IN-ALL AND ALL-IN-ONE
FOR THAT IS THE NAME OF THE [Void] ...

WHA ...?
EH ...?

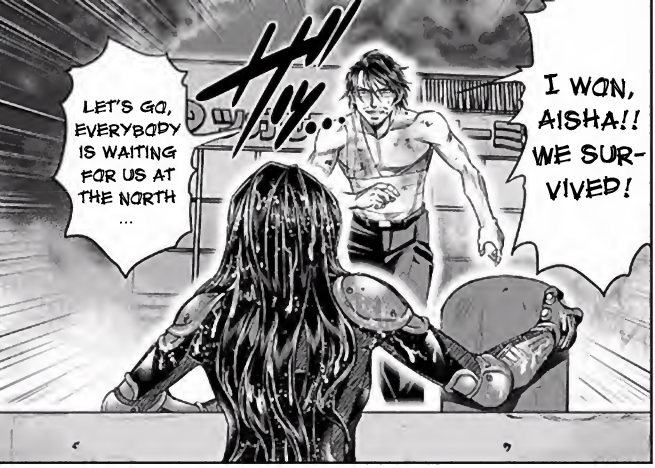


BUT ...WHY? HOW DID YOU...?
OF ALL THE COUNTLESS BODIES, YOU FOUND THE REAL ME ...?
.....
OF COURSE... IT DOESN'T MATTER THAT YOU CAN MULTIPLY INFINITELY
THERE'S ONLY ONE THING THAT HAS NOT CHANGED, AND THE TRUTH IS RIGHT HERE



ピ…
When did you... Marked the real body...
スリ…
My cherished memory ...
ピ
ピ

ドリ…



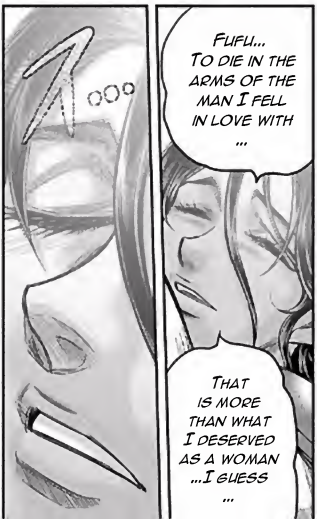
I WON, AISHA!! WE SURVIVED!
LET'S GO, EVERYBODY IS WAITING FOR US AT THE NORTH ...

COME ON, GRAB ONTO ME!
KOUICHI ...
I'M SORRY, I...

TS's rant:
FML.... ;-;

AISHA...
KOUICHI... GO TO OUR COMRADES...
I'LL BE WITH MY SON ELI...
AND THEN WE WILL GREET YOUR WIFE AND DAUGHTER ALONG THE WAY...
AISHA!! I AM BEGGING YOU!! PLEASE DON'T GO...
YOU BROUGHT LIGHT INTO MY EMPTY HEART...
IF I LOSE YOU, I'LL BE WANDERING IN THE DARK ALL BY MYSELF AGAIN...

You're going to be okay ...
A farewell comes after an encounter, and through death comes reincarnation ... It all goes around in a cycle...
Isn't that what the [Void] is?
Then we are one all along in the first place...



Fufu... To die in the arms of the man I fell in love with ...
That is more than what I deserved as a woman ...I guess ...

Hey now... Should a great man like you be crying?
Aisha ...

You are not dead, Aisha... You will continue to live in my heart for eternity
You were so strong and beautiful ... My beloved Wire Girl

Because with that wire of love,
The two of us are tied together forever ...
「超人戦線」第6巻／完

ULTRA DX5536's RANT TIME

NOT TODAY, SORRY

~~AND WHERE I DUMP MY FAN ART FOR EACH CHAPTER :3C~~

IF MICHIRU X RINJI WAS "ST. JAMES INFIRMARY" -> CHAPTER 22 (I RECOMMEND THE GUITAR COVER FROM DANCHOLLOWAY) THEN I WOULD SAY THAT AISHA X SASAMURA IS "KOOP ISLAND BLUES" FROM KOOP

WTF?! SRSLY?! AISHA SAVED THE ENTIRE GANG AND THIS IS HER REWARD??? SHE'S THE MVP AND SHE GOT KILLED BY A LITTLE MARI-POPPINS-WANNABE BITCH? WHY CAN'T HER OPPONENT BE SOMEONE MORE RESPECTFUL LIKE DARWIN???

HIMIKO, CONGRAZ, YOU JUST DETHRONED ISAAC FOR BEEING THE BIGGEST DICKHEAD, CUNT (SO FAR) >:((

SASAMURA, SHE SAVED YOUR FUCKING ASS 4 TIMES AND YOU STILL DON'T GIVE HER A FUCKING KISS!?!?!? SIR, DO YOU EVEN HAVE A FUCKING HEART?? THOUGH THAT KISS ON THE CHEEK WAS SO CUTE.

BUT I GOT TO SAY THAT AISHA HAS AN INSANE HIGH PAIN TOLERENCE. SHE LOSS HER LOWER HALF OF THE BODY YET SHE STILL MANAGE TO STAY STILL SO THAT SHE DOESN'T DISTRACT SASAMURA. IS AISHA HANZAKI 2.0??? AND ALL THOSE BLOOD LOSS.

WHY ARE MY FAVORITE CHARACTERS ALWAYS SACRIFICE THEMSELVES TO KILL THE OPPONENTS? (SASAMURA AND KOHARU SE THEMSELVES ON FIRE; AISHA... WELL...REREAD THE CHAP IF YOU DON'T KNOW)

...WAIT... ELI IS IN A FUCKING COMA AND PEOPLE CAN AWAKE FROM COMA... THANKS,OBAMA...!

I NOTICE A PATTERN IN THE STORY: 2 FEMALES ARE ALREADY DEAD WHILE 2 DUDES GOT THEIR ASS SAVED BY A FEMALE CHARACTER. SO IF THIS "PATTERN" CONTINUES, I PREDICT THAT KOHARU WILL MIRACULOUSLY SAVED EITHER YE OR/AND ROBERT AND...OMG I CAN ALREADY SEE HER DEATH FLAG.... (PLEASE LET THIS BE WRONG)

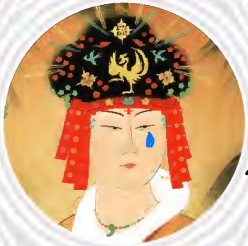
NOW IF YOU EXCUSE ME I'M GOING TO CRY UNTIL THE NEXT VOLUME I WILL DRAW FLUFFY FAN ARTS BUT IT ONLY SERVES MORE PAIN...

PS: FROM NOW ON I WILL NEVER TRUST LOLITA IN MANGA!!! ESPECIALLY IF THAT CHARACTER HAS A PERSONALITY OF A 12-YEARS-OLD-COD-PLAYER...

SEE YOU GUYS IN THE NEXT VOLUME!!!

GundamY's Rant

Hmm... It's interesting to see obscure historical figures receiving a fictional depiction of themselves. I never even heard of Zeno of Elea or Queen Himiko until I translated this series. So now that we know 6 out of the 7 Carbonoids, who could the final Carbonoid be based on?



Again, feel free to use the wonders of Google, Wikipedia, or whichever databases that can teach you about Queen Himiko. Or, you could also make bets among each other and try to guess who will be the 7th Carbonoid for Volume 7! Get ready for the next chapter!

We Need More Translators and Fellow Scanlators!!!

It has been May 23rd, 2015 since chapter 1 of "ninkoi" has been released. I am well aware that I made a promise to eager readers. However, it's tough to carry out translation duties when I have work in summer along with classwork. That is why I am posting this page in hopes that people can help out Uncharted Scanlations and fellow readers! Please, I ask of you on behalf of the scanlation community, contribute in any way and spread the word!

Well, seeing as how Renzokusei Scans has been inactive about this series for over 6 months, I would like to make a proposition to any readers out here. When it is the year 2016, I shall be working on all of the available chapters (that I purchased legally in support of the author) But before I can fully commit to Ninkoi, I require each and every one of you readers on Batoto to help Uncharted Scanlations in return

How, you may ask? You can go on Facebook, Twitter, and Patreon and subscribe to Uncharted Scanlations to prove that this is a project worth following up with your free time Now you may think this is just one of those "New Years Resolution, New Me" bullshit, but I reassure you, Uncharted Scanlations have a track record of completing series that other groups have dropped Take a look at "Gamble Fish" or "Kiss My Ass" for example

tl;dr If I can get at least 100 followers on Uncharted Scanlations' social media, this series shall have a monthly series. But if there are 500 followers, the series shall be release chapters weekly. Do we have a deal?

there's 2 likes on Facebook dude. Its not going to take off even more so with an obscure series

Are you going to prove those naysayers right? Let's get "Ninkoi" scanlated with 500 likes!

I will finish what you started.

Manga / Choujin Sensen

Japanese name: 超人戦線 / English name: The Front of Superman

A mysterious beautiful woman hosts a death match that results in either death or rebirth. Pitting an Expert who reaches the peak limit as a result from training against an Esper who awakens latent superpowers from within, the chosen players will bet on their lives with a fight to the death! There can be only one survivor...

From the creators of Gamble Fish, Aoyama Hiromi and Yamane Kazutoshi publish the tales of death and rebirth starring **Espers** (ordinary people with extraordinary powers) and **Experts** (highly skilled combatants of their professions).

You can read the series here from Bato.to or KissManga.

Second Hour Superpower versus Charles Atlas Superpower

The series in general:

- Absurdly High-Stakes Game: The [Superhuman Game] grants the winner of the death match anything they so desired, provided if the winner does survive in the first place.
- Anyone Can Die: This is a death match after all, and there can only be one survivor...
- Awesomeness by Analysis: Sasamura correctly deduces that Kaminashi will become solid at the moment of attack, so he countered Kaminashi by tripping his feet.
- Badass Normal: The **Experts** are ordinary people who honed their skills to the highest peak that their human capabilities allow them. Baron Saijou being one as a sniper and Sasamura as a swordsman.
